SIR,

I have the honor to bring to your notice that the Special Reserve Inspector at Mysore has not been provided with free quarters, though he occupies the same position as the Special Reserve Inspector in Bangalore, for whom free house accommodation has been provided by Government. In the absence of a similar Government building at Mysore, the Inspector is obliged to live in an unsuitable house and in an unhealthy locality. I beg to recommend therefore that a suitable house be rented at the cost of Government for his residence. The Superintendent of Police states that he has in view a decent house in the Nazarabad, available for a rental of Rs. 20 a month, and that it will be necessary to secure it at an early date, as there is much competition for houses in Mysore. The rent proposed appears to be reasonable and I would accordingly request that early orders may be passed sanctioning a house-rent of 20 Rs. a month for the accommodation of the Special

Reserve

Reserve Inspector as a temporary measure until a convenient Government building is provided for him.—

I have the honor to be
Sir,
Your most obedient Servant.

SIR,

In reply to your docket No. 7905/1746 dated 10th instant, I have the honor to state that the Bangalore Reserve Police were located in the Upper Arsenal in the Fort in accordance with the Dewan's Mems received with your office No. 2207/255 of 19 May 1890; and opportunity was then taken to provide the Inspr with free quarters in the same building; as it was very desirable that the Inspector should live near his men, so that he might be able to march them out at a moments notice, and be also responsible for their good conduct in the Lines. The same reasons render it desirable that the Mysore Reserve Police Inspector should have simil quarters provided for him, and until accommodation suitable in all respects is made available, I beg that Government will be pleased to allow him a reasonable house rent in Mysore as already recommended

Bangalore, 19th May 1890.

Memorandum.

Accompanied by Colonel Bowen, the Deputy Commissioner of Bangalore and the Executive Engineer. I inspected the improvements in course of execution within the Bangalore Fort.

The Temple.— On the North, the Stone Mantapam should be retained and the mud partitions and other Excrescences should be removed. Separate quarters should be provided for temp Pujaries, &c^{a}. The Deputy Commissioner is requested to report arrangements he would propose with latter object.

The Old Palace.— The work of restoration is proceeding satisfactorily. The grounds should be surrounded by a wire and live fence. I would like to have a plan of the grounds and adjoining compound.

The Old Labcratory.— The out houses should be set back from the road and enclosed by a fence as pointed out.

The Main Guard room.— This should be dismantled and the materials sold.

The Upper arsenal.— Southern wing to be repaired and partitioned (the wooden platform being removed and sold) and handed over to the Police Department as Quarters

for

for the Reserve force. East wing to be repaired and maintained as godowns for all Government tents, half of the sloping roof on the back being dismantled and the remainder repaired and left as an open Verandah to protect the proposed tent godowns. North wing to be repaired and a part handed over for Municipal stores.

Open Quadrangle.— A few yards by the sides of the building should be lowered and the earth taken out should be thrown in the centre.

Lower arsenal.— Part of it has been dismantled and the materials removed by the Municipality. Such of these materials as may not be required by the Municipality should be Sold.

Vacant site East of Palace & Temple.— Orders regarding similar disposal of this site will be passed hereafter.
